Urba 20/25

optional
translucent
lid

Separate waste collection door-to-door can be achieved by easy, practical and hygienic solutions.

Urba is designed and manufactured by **sartori ambiente S.r.l.** - Italy; an ergonomic and stylish container with tapering shaped body and square base.

Urba can be used at all types of properties, either inside or outside the home or office.

PRACTICAL, SAFE AND SECURE

- Strong handle** with shaped grip is perfect for handling and opening. Vertical handle stays in the **upright position**, reducing the need for bending.
- Lid/handle locking mechanism** reduces accidents, spillage and interference from birds and animals with 2 lid opening and 2 lid locking positions.
- Handle grip on the base** makes emptying easier when the bin is inverted.
