

Urba 7 litre bins can be produced in 75% post-consumer recycled plastic certified "Plastica Seconda Vita" (Second-Life plastic) from the Italian Institute for the Promotion of Recycled Plastics. This option supports the objectives for Green Procurement with the re-use of recycled plastic materials, to help minimise the impact on the environment in manufacture.

Sartori Ambiente is certified according to ISO 9001 and ISO 14001.

Items are packed using PEFC certified pallets.

SARTORI AMBIENTE
SUSTAINABLE ENVIRONMENTAL SOLUTIONS

Peter Ridley

Waste Systems

URBA 7

The Urba 7 kitchen caddy with solid wall and lid, for safe and easy food waste segregation. It can be placed on the kitchen worktop or mounted inside a cupboard, under the sink or on the wall. An extra wide aperture allows filling from dinner sized plates and chopping boards.

Sturdy hinges and clip-on lid, removable for easy cleaning

The handle can prop the lid open

Single sturdy black plastic handle with lid locking mechanism

Wall or door fixing points

TECHNICAL FEATURES

Capacity

- . 7 litres

Material

- . 100% virgin recyclable PP, with options for recycled content
- . Stabilised against the effects of UV light, resistant against chemical detergents and biological matter.
